Are dogs allowed anywhere on the Lumberjack World Championships festival grounds?

For the comfort and safety of our guests, the LWC has a no-pets policy. Although we love animals, please leave your pet at home during your visit to the Lumberjack World Championships. The LWC complies with the Americans with Disabilities Act (ADA) allowing access for all individuals to public places; therefore, we do allow working service dogs to accompany guests. As identified by the ADA, guests may be asked to identify if the service animal is required because of a disability and what work or task has the dog been trained to perform. Service animals are required to be leashed or harnessed except when performing work or tasks where such tethering would interfere with the dog's ability to perform the work or tasks. Thank you for your cooperation.
