-more-

The tradition of competition between lumberjacks began in the 1890's. In keeping with the timber sports tradition, the 59th Annual Lumberjack World Championships will once again be held in beautiful and historic Lumberjack Bowl on the shores of Lake Hayward. In days gone by, Lumberjack Bowl was once a holding pond for log drives down the Namekagon River. While timber sports were born over a century ago, they continue to grow in worldwide popularity today.
